WELCOME TO

iLEAD

Based in Kolkata, iLEAD is one of the leading institutes for BBA education, known for its industry-focused teaching and strong career orientation. The institute blends core business management learning with practical exposure and AI-enabled tools, ensuring students are prepared to handle real-world industry challenges with confidence, clarity, and competence.

- Industry-based business education with hands-on practical exposure
- AI-enabled learning to improve research, analysis, and business planning
- Smarter presentations, reports, and strategic insights across management functions
- Improved productivity through real-world application of AI in marketing, finance, HR, and operations

Our Leadership

Our students don't just leave with degrees—they leave with a sense of purpose, a spirit of entrepreneurship, and a passion to make a difference. That is what employers see, and that is what sets them apart.

Pradip Chopra
Chairman,
iLEAD

We foster a spirit of entrepreneurship and transformation at iLEAD. Our students are not just job-seekers—they are change-makers equipped to create opportunities and lead impactful careers

Pragya Chopra
Executive Director,
iLEAD

Launch Your Career With a BBA Degree

Business management is the base for every successful organisation. A BBA programme allows students with necessary knowledge for handling business operations like finance, marketing or more.

This field offers a mix of leadership, analytical thinking and decision-making skills. By working on live projects and internships, students get exposure to the real business world and how work challenges are faced. BBA offers multiple career options like Human Resource Management, Finance or Marketings for students to choose from.

What Makes BBA Degree the Right Choice

- Every organization requires trained business and management professionals
- Strong demand for leadership, analytical, and managerial skills
- Opportunities to work with corporates, startups, and global organisations
- Growing relevance of AI-enabled business and data-driven decision-making
- Ideal foundation for entrepreneurs, managers, and future business leaders

Proven Academic Leadership

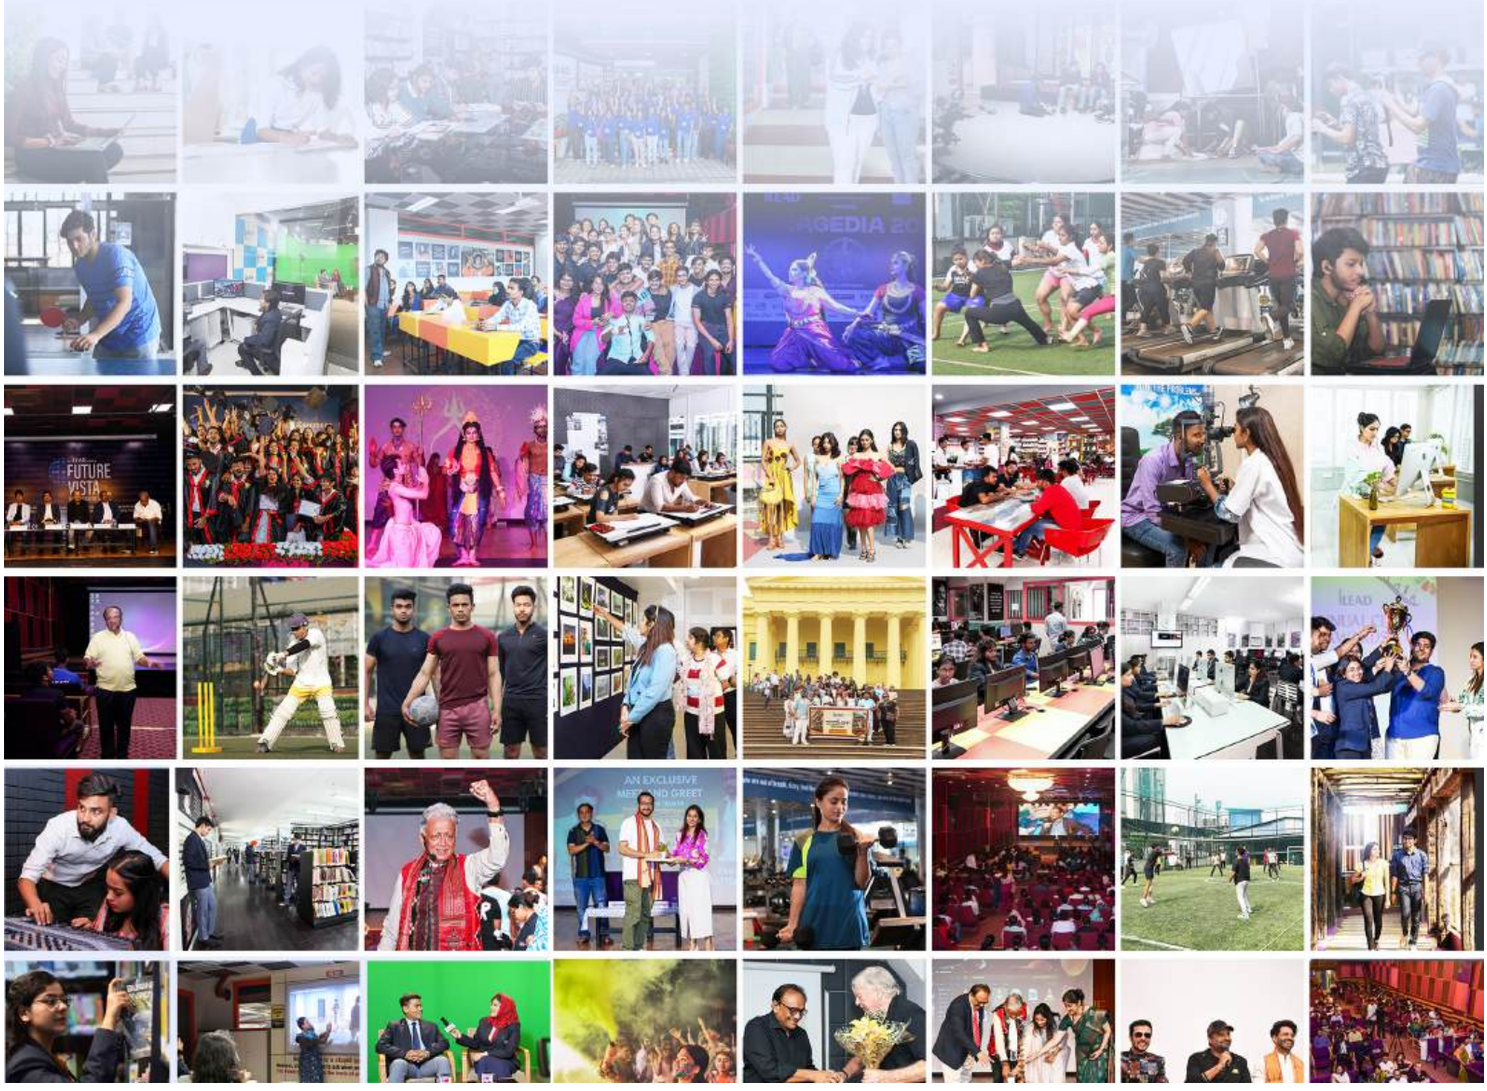
- Excellence in Academia Awards at HRD India Awards 2023.
- 52,780+ Hours of Teaching Experience.
- 120,000+ Books in Library.
- 200+ Awards & Recognitions.
- Collaboration with Stanford Seed.
- Best Entrepreneurial Development Programme Institute at the Sankalp Education Awards 2019.

LIFE AT iLEAD

iLEAD is a ragging-free environment where juniors, seniors, and faculty mentors work in close, supportive relationships. Students are encouraged to collaborate and grow together, creating a culture where everyone feels safe to participate, speak up, and belong.

Beyond academics, campus life stays vibrant through events, festivals, workshops, competitions, and interdisciplinary collaborations. These experiences help students discover confidence, find their voice, and step onto their own stage, regardless of background or prior exposure.

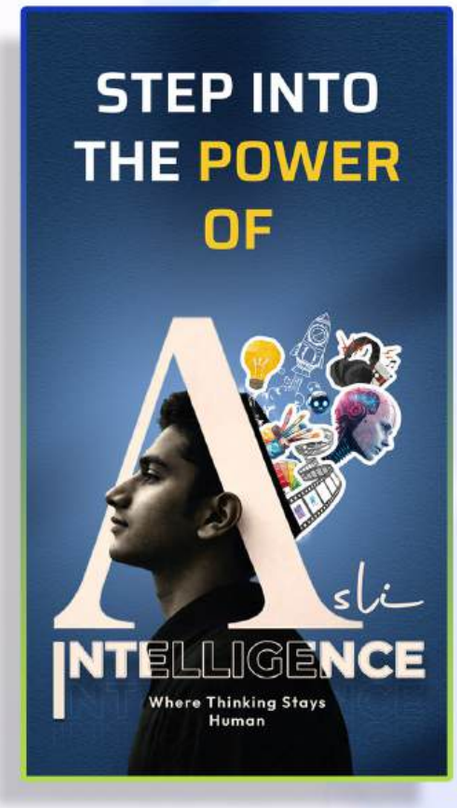
Here, students explore interests, refine talents, and often Discover their Ikigai, the intersection of passion, skill, and purpose. With strong peer and mentor support, iLEAD students pushed boundaries and earned over 250 awards across inter-college and industry-recognised platforms last year.



Think Smart. Lead with AI

Asli Intelligence

At iLEAD, Asli Intelligence means knowing how to work with AI without losing your own thinking. Students learn to use AI tools to support research, planning, and analysis, while developing judgment, creativity, and leadership skills.



- Use AI tools for business research and planning
- Apply prompt engineering for better ideas and analysis
- Improve market insights and strategic thinking
- Enhance presentations, reports, and problem-solving

AI for Real-World Learning

With the changes in technological front, iLead uses AI into business education, to increase learning outcomes.

- AI-enabled research, data analysis, and business planning
- Smarter presentations, reports, and strategic insights
- Real-world application of AI across marketing, finance, and operations

Turning Your BBA into a Career

A BBA degree equips you with the skills and confidence to step into the professional world with clarity. Whether you want to manage businesses, lead teams, work with brands, or build something of your own, this degree opens doors to diverse career paths.

From Campus to Career →

Learning at iLEAD goes beyond the classroom. Through internships, live projects, and industry interactions, students gain real world exposure that builds confidence and prepares them for professional roles from day one.

Seed Spark Program by Stanford Seed

The Stanford Seed Spark Program supports young entrepreneurs through expert guidance and global insights. This structured online initiative helps students refine business ideas, accelerate growth, and build sustainable ventures.

Our Collaboration with Draupnir Capital

iLEAD, in collaboration with Draupnir Capital, runs an incubation centre that helps students and alumni turn their ideas into real businesses. Backed by the State Bank of India, it offers mentorship, resources, and funding support to help them grow in their career.

How to Apply

The admission process at iLead is made to be simple, transparent and student-focused. Here are the steps to follow:

Step 1: Online Application

Applicants must fill out the online application form available on the official iLEAD Kolkata website with the required details.

Step 2: Selection Process

Admissions are conducted through a Common Entrance Test (CET) followed by a Group Discussion and Personal Interview (GD–PI) for all programs.

Step 3: Merit List & Admission Confirmation

Based on performance in the selection rounds, iLEAD publishes a merit list. Selected candidates can confirm their admission by paying the required fee at the designated admission receipt centre.

Scholarships & Fee Assistance

iLEAD offers merit-based and need-based scholarships to help deserving students pursue quality education without financial stress. T&C apply.
